Pinelake H³ Hash #1127 – December 27, 2008

Hared by AssWeGo

Start: Cobb Parkway Kroger in Vinings

As usual, the Pinelake hashers met up at the outer edge of a grocery store – this week it was the Cobb Parkway Kroger. There must have been some kind of chalk talk and a happy send off on time, because your **scribe**, along with **Tail Gunner** and **Leaky Faucet** showed up at 2:32 and the hounds were nowhere in sight. **Ballerina Booty Boy** and our hare, **AssWeGo**, were still in the parking lot to take our money and send us off in the right direction. The first 500 feet of trail were a perfect preview of the rest of trail: uphill at a 45° degree angle through woods and six-inch-deep mushy leaves. If only we had known that this is what most of trail would look like, we would have turned around then and gone home. Eventually we found some road, where **Tail Gunner** and hash dog **HeTom** took a left, and **Lots of Practice** headed straight through someone's yard and up another hill to catch up with **Two Buck Fuck**, **Drags Wood** and **Itchie Coochee**.

Not too far ahead were visitor **Cock Ring Master**, **Camel Toe** and her two cousins, virgins **Just Kelsey** and **Just Kori**. We crawled our way up a few more hills, down a few more hills (thank the **Hash Gods** no one broke an ankle!) and finally found ourselves on a lovely line of railroad tracks. **Tailgunner** and **Just Hitam** came out of nowhere from behind us, along with **Grape Nuts**. As we wandered down the tracks, that all-too-familiar hiss and screeching noise started and we realized a train was probably headed our direction. By the time we figured it out and where moving off the tracks, it turned out the train was *right there*. So we scrambled like drunken maniacs to get away

from the train, and **Grape Nuts** narrowly escaped with his life. Phhhew!

We found ourselves at Cumberland Mall, and hot tailed it out of there to avoid the rapid post-Christmas shopping madness. Down some more hills, up some more hills, and we came upon a fork in the trail and a lovely 30 foot high, two tiered retaining wall. There were no marks on the ground and a light dusting of flour along the wall. Those hounds who were feeling “adventurous” (read: “really stupid”) – namely **Camel Toe**, **Two Buck** and **Drags Wood** – decided to climb up and shimmy along the wall to find trail. The rest of us stood around and waited for them to find the YBF a few yards down the wall. The foolish ones climbed back down and we went on our merry way. There were no major hiccups the rest of the way, except more hills and the dead squirrel that **Itchie Coochee** felt compelled to snap some pictures of (Technology on Trail!) and told us all it was “squirrel porn.” Sicko.

Eventually, we made it to the On In, in a nice abandoned parking lot at – guess what? – a HILL! **AssWeGo** got an earful about his shitty trail and we all enjoyed some beers and yummy orange snacks. Eventually, our lovely JM, **Pot Pi**, rounded us up for circle and the ridiculousness began. **Yassir Creamer** took **Little Willy's** place as demo down-down extraordinaire. FRB and FBI, **Niplets** and **Star Whore**, took their down-downs, as well as DFLs **Two Buck Fuck** and **Drags Wood**. Visitors **Cock Ring Master** (Jacksonville) and **Amish Shit Head** (Rhode Island), as well as Virgins

Just Anthony, Just Louise, Just Kelsey and **Just Kori** also partook of the sweet nectar of the **Hash Gods**. More down-downs were handed out for various Rule 6 violators – including **Camel Toe** for attempting Sex on Trail by putting some mistletoe on her head, **Cock Ring Master** for picking up a blue ball on trail (he claimed it was “trail treasure”) and **Itchie Coochie** for her squirrel porn. At this point,

there was enough **Colt 45** for pretty much everyone to have a down-down, so **Pot Pi** made up a bunch of crappy reasons for us to drink and we did it anyway. When we'd had enough, **Pot Pi** closed circle and the Hash went in peace, hoping to get a piece.

ON-ON! Your faithful scribe, **Lots of Practice**
