

Pinelake Hash #827 - Fish Dicks' Birthday Hash

Hares: Fish Dicks and Pornucopia

Hounds: Davey Crochet, Yoron Weed, One Ball, Elvis, Deliveries in the Rear, Squid Dick, Kap'n Krash, Dr. Doo Doo, Pissticide, Shiggy Pitts, Li'l Willy, Joe Blows, Gary Demasi, Jake Thompson, Fag Hag, Fill My Cavity

Well, today's hash started out as usual, with **Yoron** trekking into the start 5 minutes before the run was to begin...or was it five minutes after? You would think that a 39 year-old hasher would have learned to tell time by now...

Anyway, it was a beautiful day for hashing, with the week's heat wave hitting that day for a high temp of 46°. Trail began at the Value Village off Moreland, and proceeding through some nice shiggy (read: wet feet, as the ice had thawed...) and to the north near the old landfill. Then across a nice stream, complete with stepping stones, and up a **VERY STEEP** cliffside to, guess where, the back side of the Value Village. Nice loop!

Things kinda blurred from there, as we crossed Moreland and headed for the powerline cut. A little trick by the hares to get us into the woods away from the cut, in turn taking us back to the powerline cut, and thence into the soon-to-be park that abuts Boulevard, after a very nice, tricky check, complete with a YBF. Once on Boulevard, uphill to the railroad tracks and along them north to Confederate. A couple of twists and turns, and like magic, the On In at **Fish Dicks'** humble abode. GPS report was 4.9 miles, but seemed less. An excellent trail overall, the pack unanimously agreed.
