

# Pinelake Hash House Harriers

*Because Life's Too Short to Drink Cheap Beer*

Hash #832

March 1, 2003

Never expect a *straight* path, *straight* answer or much anything else *straight* at a Pinelake run--especially when DeKalb County's boys in HAZMAT blue are poking about.

**Little Willy** and **Pisspour** mismanaged to give the cops the slip and more than 20 hapless hashers a curvy, crazy trail through DeKalb's furthestmost regions March 1 when run #832 shoved off from a "deconsecrated" Service Merchandise parking lot off I-285 and Lavista Road.

♫ The weather outside was frightful but the trail was so delightful ♫. With gray skies thick as mucky porridge looming overhead, a hodgepodge of flour and toilet paper led the pack through railroad easements--including a two-mile-long CSX fun run-- parks, bustling intersections and neighborhoods.

All went according to plan except for the neighborhood part. There, after two hellacious hill runs near the end, fire trucks and police cars intercepted the exhausted pack while suburbanites with their anti-war yard signs broke out the duct tape and plastic tarps.

Someone must have thought **Osama** paid a little visit to them. As if.

"Hey, you!" a firefighter roared authoritatively. "What's that white powder? And why are you following it?!"

"Dude...I'm just following those dudes!" a winded **Puff-n-Stuff** proclaimed.

It was later revealed that the neighborhood association learned of the hashing debacle and has formed an anti-hash movement called **SHIOT: Stop Hashing In Our Town**.

Nevertheless, everyone made it to the end at **Little Willy's** house intact and unarrested. Down-downs galore, with green bottles of beer and those crunchy orange-colored snacks everyone's always raving about.

DeKalb's most wanted: **Hired Hand, One Ball, Davey Crochet, Yoron Weed, Spermier, Slippery When Wet, Kap'n Krash, Stink or Swim, Porno Potty, Bickering Prick Picker, Woody Yank Me, Niplets, Size Doesn't Matter, Weiner Slutzel, NFHM Heather Sefers, Dr. Doo-Doo, Puff-n-Stuff, Pissticide, Grape Nuts, Tailgunner, Rogue Anus** (Dorian picture of), **Penile Code, Little Sister, Sprad Eagle, Psychic Pisspot, Red Neck Mutha, Dangling Partisnipple**, and **EZ Cheeks** with the *car hash action*.
